DIMITAR CHUNGOVSKI (NORTH MACEDONIA)

Dimitar Chungovski was born in 1979 in Bitola. He came in touch with photography while he was still in elementary school when he started manually producing analog black-and-white photographs. After making a pause during his studies, upon the arrival of the digital era, in 2003, he continued doing photography. He has been an active member of Photo-Cinema Club 'Bitola' since its formation. Chungovski is among the most significant young photographers from Macedonia whose works cannot be ignored. His credo is that author's merit cannot be quantitatively measured. It's measured by how far-reaching the artistic creation is.

GORAN KOJADINOVIC (SERBIA)

Goran Kojadinovic is a graphic designer and photo amateur who lives and works in Kragujevac. He graduated from the Belgrade Polytechnic in Graphic Technology. He was born in a family in which photography is especially appreciated and his interest in photography was growing with the rise of digital technology. He was engaged in activities that contributed to the resurrection of Kragujevac photography in 2010 (photo-excursions, exhibitions and festivals of art photography).

For the past eight years he participated in two hundred salons in thirty-six countries, won more than eighty awards and juried forty international photo contests. Today he is a member of the Photo Association of Serbia and the vice president of Photo Club Kragujevac, which is currently the most

ALEKSANDAR GEORGIEV (NORTH MACEDONIA)

Aleksandar Georgiev, born 1968 is a photographer from Bitola, North Macedonia, active in art photography and professional photography for the last 10 years. He is a PCC Bitola member since the foundation in 2011, and he is also a member of the executive board. He is active in educating new members and has participated in many domestic and international photography exhibitions and competitions where he won many awards.
